JOINT PRESS RELEASE

Ref No. 001/SCC/JRP/25 | Date: 13/02/2025

In response to the aspirations of the people of former Southern Cameroons for better coordination by groups to advance their cause, we the undersigned are pleased to announce a landmark Memorandum of Understanding (MoU) signed on December 31, 2024, by key actors in the pursuit of historically justified self-governance for the Former British Southern Cameroons. This historic agreement marks a pivotal step towards unity, cooperation, and a collective action in the struggle for **TRUTH, JUSTICE, PEACE, and SECURITY**.

For decades, factional divisions have weakened our cause. With this MoU, we commit to shifting from internal disputes towards a **cohesive strategy that challenges the injustices and human rights abuses inflicted on our people and territory**.

Southern Cameroons Caucuses: A Collaborative Front

The MoU brings together the following caucuses:

- **Pro-Independence Caucus** – Advocating for full independence as the path to self-determination.
- **Pro-Federalist Caucus** – Advancing federalist solutions while upholding self-governance.
- **Civil Society Caucus** – Representing grassroots voices, prioritizing security, social justice, and inclusive dialogue.
- **Southern Cameroons Alliance (SCA)** – Serving as the strategic coordinator and facilitator for collaboration.

This partnership **respects ideological differences, while fostering a common vision**. It establishes a framework for dialogue, consensus-building, and a **united international engagement** to seek a genuine and lasting resolution to the conflict.

Next Steps: Engaging National and International Stakeholders

We extend an open hand to all stakeholders—domestically and globally—who are willing to support this initiative and help craft a peaceful and just future for the former Southern Cameroons.

We, the undersigned, stand committed to this mission and urge all parties to put the interests of our people above factional divisions.

Signed:

Pro-Independence Caucus: Gideon Asanji

Pro-Federalist Caucus: Michael Takie

Civil Society Caucus: Ncham Godwill

Southern Cameroons Alliance (SCA): Millan Atam
